

The Field Spaniel Society Championship Show 19th June 2022
Judge Heather Weeks

Thank you to the Field Spaniel Society for giving me the privilege of judging our wonderful breed. Thanks to all the exhibitors for entering your dogs under me. This was a lovely show where all the exhibitors were around the ring, the atmosphere was really friendly and it was a joy to see all the dogs being so well behaved.

Over all the quality of the exhibits was good. Dog size and bone have improved, most dogs had the correct scissor bite, although a few had level bites. My little nitpick; I see that most exhibitors are choosing to move their dogs on an upright lead (stringing up). Fields look and move better on a loose lead, only 3 exhibitors today showed their dogs on a loose lead.

MPD (1) 1st. MacBain & Brewer's Fecimus Son Of A Gun, well made liver dog. Nice head with pleasant expression. Good movement out and back.

PD (1) 1st. Jeffries Irisbel You're the One, Black dog, nice head, lovely dark eyes, will need to body up as he gets older, he was a bit erratic on the move.
